

# McD's Iced Tea Preparation Procedures

	<p>(1) Use of White Gloves is mandated in all steps except step (6).  Evenly distribute the tea in the McD® Tea Bag and lay flat in the Tea Brewing Basket.</p>		<p>(6)  Place the Tea Brew Bucket on the Tea Brewer Base and press the start button.</p>
	<p>(2)  Place Tea Brew Basket fully into the Tea Brewer.</p>		<p>(7)  Allow the Tea to completely finish brewing. <i>Remember to wait until ready light turns on before starting another batch of tea.</i></p>
	<p>(3)  Pour 4 pounds (1 bag) of sugar into the Tea Brew Bucket.</p>		<p>(8)  Add enough ice to fill the bucket to the 4 gallon fill line.</p>
	<p>(4)  Add 32 oz. of Hot water drawn from the coffee maker.</p>		<p>(9)  Stir until Ice is completely dissolved</p>
	<p>(5)  Stir with whisk to completely dissolve the sugar and make the simple syrup solution.</p>		<p>(10)  Place lid on the Tea bucket and mark with the appropriate holding time. Place in the cooler immediately.</p>

To make Unsweetened Tea, do not add the sugar or hot water and follow the rest of the brewing steps.
